

GROWLY TO GREAT - FOR DOG REACTIVITY

WHAT YOU WILL ACHIEVE:

Is your dog barking, lunging, pulling or even screaming towards other dogs on walks? Walks together should be a dream, not a nightmare. With this program, we will turn things around so that you can look forward to walking together with your best friend on a loose lead, rather than feeling like you're heading out to battle every time you want to exercise your dog (and yourself)

INCLUSIONS:

- 5 Weekly or fortnightly training sessions
- We only use and recommend the best training equipment. This program includes a training collar, leash and treat bag.
- Training diary - this will help you to keep track of your training time so we can see exactly where improvements are needed in between sessions
- Support - got a question or is your dog doing something unexpected? Call us and we will be there to support you throughout the training program and for 12 months afterwards
- Video tutorials and examples. You'll received access to training videos so you don't need to remember every tiny detail during the lesson, you can always revisit the videos for a refresher. We will even film our sessions and provide you with a copy to keep.
- Join in on our maintenance classes, held weekly. Receive 6 months access to continue on after your program
- Graduation certificate & gift - at the end of the program you'll want to celebrate your dog's progress with a keepsake from us

INVESTMENT

You can start today for just £300, or you can pay in instalments of £60 weekly or monthly.
