

ADORABLE ADOLESCENT DOGS PROGRAMME

**Wellbeing
Dogs
Dog Training**

WHAT YOU WILL ACHIEVE:

Did you know that what some puppies will miss out the adolescent stage? Let's get it right with the Adorable Adolescent Dogs programme so they do. Sleep easy at night knowing that your puppy is well-balanced and is bonding well with you thanks to Centering Therapy and the touch procedure. Solve common issues like jumping up and biting. And importantly, socialise your growing puppy the correct way so that you can shape them into a well mannered and confident dog.`

INCLUSIONS:

- 5 Weekly or fortnightly training Private 121 sessions
- Including 2 adolescent puppy socialisation play & walk sessions
- We only use and recommend the best training equipment.
- Learn how to avoid resource guarding with correct behaviour when removing toys, food, treats or yourself.
- Protecting yourself from mouthing or even a bite.
- Loose-lead walking skills and a really reliable recall in the park.
- Adorable Adolescent training ebook to refer to written step by step information any time you need it.
- 3 months phone and email support - we are here for you!
- 20% off adult training programs within the first 18 months of your pup's life
- Graduation certificate & Video - at the end of the programme as you'll want to celebrate your dog's progress with a keepsake from us
